

PROVISION HOPE Packs

Natural disasters are occurring all over the world. People are living in poverty in our own communities. Provision HOPE Packs will provide basic necessities along with a personal message of encouragement and hope.

HOW IT WORKS

Provision Ministry will work with your organization to coordinate, plan, and execute a meaningful event.

Provision will work with your team on logistics and facilitate the delivery of the supplies needed for HOPE Pack assembly.

Your group assembles HOPE Packs & writes personal notes of encouragement to each recipient. Finally, completed Packs are bundled for shipment and delivery.

Provision will distribute assembled HOPE Packs to Provision partners where most needed.

Minimum: 120 Packs
