

## COMPANY TEAM BUILDING EVENTS

Provision's Care Pack Program makes it easy for companies to provide motivational, teambuilding experiences for employees while helping others in the community and fulfilling corporate responsibility. Sponsoring a Care Pack Event can positively impact employee onboarding, retention, and engagement at your company.

### ABOUT THE PROVISION CARE PACK PROGRAM

A Pack Building Event is a meaningful and high-impact event that meets the needs of your community while providing a team-building experience for your company. Participants gather together to fill Packs with items provided by Provision that will be distributed to an organization of your choice or to a Provision Partner. Each Pack includes a personal note of encouragement written by participants.

Choose **Family Care Packs, Homeless Care Packs, Hygiene Packs, Veteran Care Packs School Backpacks, or School Refill Packs**. Learn more: <http://provisionministry.org/pack-builds/>

Provision works with your organization and its event coordinator to plan and execute a meaningful and memorable employee event. Provision has the expertise to handle all of the logistics required for a successful Pack Building Event. Our experience includes Pack Building Events with nationally recognized retail and restaurant chains, regional banks, and supermarkets, insurance companies, and more. See video pack event stories: <http://provisionministry.org/success-stories/pack-event-stories/>

*"What an amazing experience! We believe in marketing with a purpose and with Provision Ministry it came together beautifully. We did a Pack Build to give away School Refill Packs...The event was fun for everyone and was something that everyone talked about for weeks after..."* Christine Najem, Founder/CEO, Cedar Wood Realty Group

## ABOUT PROVISION

Every day, thousands of men, women, and children in under-served populations don't have access to the resources that could dramatically improve their lives. Tom Slicklen founded Provision Ministry because he saw that the fundraising needs of many grass-roots nonprofits were not being met and could be met by companies and individual donors in his network.

Resources like food, clothing, footwear, and hygiene products are in great demand. The challenge for local, grass-roots nonprofits is finding those who can meet the needs of the people they serve. Provision Ministry is uniquely qualified to respond. Through relationship building and enabling strategic distribution, the outcome of charitable giving is more efficient and beneficial.

Provision Ministry exists to help underserved families and children, veterans, immigrants, refugees, addicts, and those who are homeless through donations from corporations, retailers & wholesalers, foundations, individuals, churches, and other nonprofit organizations.

***The mission of Provision Ministry, Inc. is to equip nonprofit organizations with the resources they need to maximize their impact on the people they serve; but also, to engage corporations, foundations, churches, and individuals to better understand the needs within their communities and to help them get involved in community development and fulfill corporate responsibility.***

Tom Slicklen is the President and Founder of Provision Ministry, Inc. Prior, Tom was the Director of Development for Straight Ahead Ministries for 6 years and the Area Director in New England for World Vision for 10 years. Tom led donor mission trips to third world countries to Africa, Central and South America, Mexico, Haiti and the Dominican Republic. Before working for World Vision, Tom had an accomplished sales career in the retail industry.
