

PROVISION Hygiene Packs

HOW IT WORKS

Provision works with your organization and its event coordinator to plan and execute a meaningful and memorable team building experience.

Provision facilitates the delivery of the supplies needed for your event.

You host a team building event to assemble Hygiene Packs & write notes of encouragement to each recipient.

Your organization can choose to personally distribute assembled packs to the nonprofit organization of your choice or to a Provision partner.

49 million Americans are considered poor or low-income based on the federal poverty line, leaving many lacking basic needs.

We help provide an experience that bridges your team with people in your community who are in need.

Pack assembly events are engaging for all ages and are a positive, inspiring way to create a sense of community within your organization.
