

Identify. Connect. Provide.

"Provision Ministry has been a blessing to Life Connection Center in so many ways, with food and clothing, and just their presence during deliveries brightens up our day."

One major impact that came through Provision is that a large majority of the community we serve has never had anything brand new. So when we hand someone new shoes or a new coat, the look in their eyes is indescribable.

Provision is our partner to help meet people right where they are with dignity, hope, and the possibility of a better future."

2022 Year In Review

Founder's message ...

This year, we have seen individuals and families, who have never been to a food pantry before, go there to get the help they need to get by. Homelessness and food insecurity are on the rise and adverse economic conditions persist.

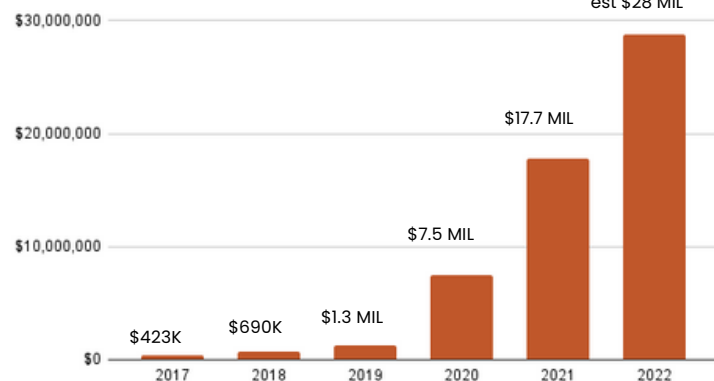

In the midst of this, we continue to witness the generosity of donors and the dedication of nonprofit organizations who serve those in need. Provision Ministry has been fortunate to partner with corporate donors who give new essential items like food, clothing, and footwear, etc. by the truckload to help others. Our front-line partners, in addition to serving in their own local communities, are also able to share goods from Provision with other nonprofits, which further extends our reach.

Each homeless person is someone's family member or friend. Remembering this motivates me every day to continue striving to spread hope and to help more people who need basic necessities.

Tom

Distributed Goods

Provision Ministry Programs

Thank you for partnering with us to help those in need.

Product Donation Program

In 2022, Provision Ministry distributed food, clothing, footwear, hygiene products, school supplies, and other new essential items valued over \$28 million through a network of nonprofit partners in the Northeast. This distribution volume exceeds our distribution volume in the past 5 years combined. Provision has become an established hub in the Northeast for the distribution of quality, new donated items to nonprofit organizations serving others. True to our mission, Provision continues to identify and cultivate significant new donor relationships, connect with nonprofit distribution partners, and provide essential items to those in need.

"We are thankful to Provision Ministry. They assist us with the needs of our community and we have a lot of needs to meet - including getting food, clothing, shoes and socks out to the community. Provision is a means for filling in the gaps and their help means so much. Since Worcester is an Immigrant friendly city, our first need is often the bare essentials like socks, which we can provide high quality brands like Bombas for both adults and children thanks to Provision."

Care Pack Program

This year, Provision Ministry partnered with sponsors to assemble and distribute over 3,500 Care Packs! This program continues to be a great, hands-on way for groups to help those in need in their communities. Care Packs are filled with essential items like hygiene products, socks, and hats, or school supplies along with a personal note of encouragement. Care Packs contain useful items, are easy to distribute, and effective in showing others that someone cares about them.

"Bay State Savings Bank has a long history of giving back and consider it our personal responsibility to serve our local communities. What a great way of honoring our corporate mission as well as promoting a sense of team within our staff. Thank you Provision Ministry for helping us help others!!"

Diane G - Bay State Savings Bank

Ways to Give

The generous donations of our supporters enable us to do what we do and to reach as many people as possible. With your help, we are able to distribute essential items with love and dignity to those who need them most.

Please consider a year-end donation to Provision Ministry!
