

PROVISION Family Care Packs

Many families in our country are living below the poverty line and struggling to make ends meet. Food and shelter are at the top of their priority lists but hygiene products are also a critical need.

Each Provision Family Care Pack provides needed items for a family of 5 for one month. We can help provide an experience that bridges your team with people in your community who are in need.

HOW IT WORKS

Provision works with your organization and its event coordinator to plan and execute a meaningful and memorable team building experience.

Provision facilitates the delivery of the supplies needed for your event.

You host a team building event to assemble Care Packs & write notes of encouragement to each recipient.

Your organization can choose to personally distribute assembled packs to the nonprofit organization of your choice or to a Provision partner.

EMPOWER YOUR TEAM

Pack assembly events are engaging for all ages and are a positive, inspiring way to create a sense of community within your organization.
