

# Provision Ministry

Speaking to our nonprofit partners, we heard that Provision is set apart as

## INTENTIONAL

*Our intentional work to bring dignity & hope is evident through impactful stories that our partners have shared about Provision's food & essential item donations*

These donations help us **Add Capacity**

These items are a **Necessity**

We see a **Ripple Effect** of impact

Your team goes **Above & Beyond**

## DISTRIBUTIONS

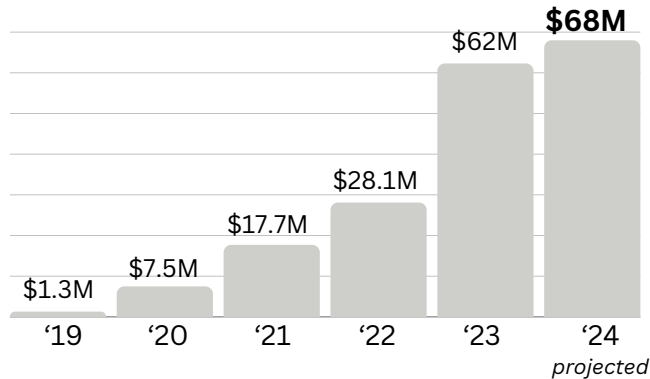

*Food and new clothing, footwear, home goods, school supplies, & hygiene products*

*Serving families, veterans, refugees, and those who are experiencing homelessness and food & hygiene insecurity*

Value of Items Distributed

Collaborating with a robust network of donors and nonprofit partners, Provision is able to build a proven network to:

- Identify** resources and needs
- Connect** them most effectively
- Provide** where most needed

In addition, Provision has distributed **37,500** Donor-Sponsored Care Packs since our founding in 2017

## Stories of Distributing Food, Clothing, Hygiene & Essential Items

“In early May, we received a lot of hygiene products & makeup from Provision. Women were SO excited to receive the amazing **quality** items for free, right before Mother’s Day.”  
– Partner in NY

“Do I feed myself or my pet? – they choose their pet every time, but when we can provide free pet food, **everything changes.**”  
– Partner in Midwest

“We took brand new suits from Provision down to a school district and set up the clothes like a thrift shop. People were elated to receive these just in time for prom. It was **life changing** for them, and **heartwarming** to witness.”  
– Partner in NY

“During the winter, we received portable heaters from Provision. Many families did not have adequate heat in their homes and **needed help keeping the place warm** enough for themselves and their kids. These were perfect.”  
– Partner in MA

“At a Christmas party for kids with developmental challenges, we were able to give away so many toys and shoes to underserved families who needed help.”
