

PROVISION Veteran Care Packs

They were there when we needed them, now we're here when they need us. We can work together to help veterans who are in need and show them that we care.

We help provide an experience that bridges your team with people in your community who are in need.

HOW IT WORKS

Provision works with your organization and its event coordinator to plan and execute a meaningful and memorable team building experience.

Provision facilitates the delivery of the supplies needed for your event.

You host a team building event to assemble Care Packs & write notes of encouragement to each recipient.

Your organization can choose to personally distribute assembled packs to the nonprofit organization of your choice or to a Provision partner.

EMPOWER YOUR TEAM

Pack assembly events are engaging for all ages and are a positive, inspiring way to create a sense of community within your organization.
